

fly **V**australia

Airline:

V AUSTRALIA

On board the inaugural V Australia flight on February 27 2009 were the airline group's co-founders, **Sir Richard Branson** and **Brett Godfrey**, as well as some special Australian celebrity guests, including singer and *Australian Idol* judge **Marcia Hines** and *Getaway* presenter **Catriona Rowntree**.

V Australia is the only carrier to operate the economically and environmentally efficient Boeing 777 aircraft on the long haul trans-Pacific route.

V Australia economy class fares departing from Sydney, Melbourne and Brisbane return to Los Angeles cost approx *\$1650 all inclusive.

* All fares are for flights booked on the internet or \$50 more when booked by phone. Fares are inclusive of all taxes, fees and charges and subject to availability and may not be available on all flights or peak times. A credit card surcharge of an additional \$15 per person per booking is applicable. For V Australia bookings log on to www.vaustralia.com.au or phone their award winning Guest Contact Centre on 13 8287 or contact a travel agent.

Another celebrity fan of the new airline is Aussie actor Julian McMahon.
